What is GLWiFi

As you cruise above the clouds, you can easily stay in touch with your friends, family or simply conduct your business affairs. Today on-board WiFi networks are being provided through cell phone towers, and can only be accessed while you are flying over land. GLWiFi, in cooperation with Deutsche Telekom, brings a satellite based broadband WiFi network, allowing you to stay in touch throughout your entire intercontinental flight, both over land or sea. Simply purchase your GLWiFi Pass prior to boarding, and look out for the WiFi signs on-board your aircraft! It's that easy.

How it works

GLWiFi's on-board WiFi networks, can be used while flying over land or ocean. Purchase your GLWiFi pass online prior to boarding, and follow the instructions:

- Open your browser
- Choose the airline WiFi portal
- Complete the CAPTCHA test
- Enter the Username & Password provided to you at the time of purchase

And Voila!

You are now set to enjoy your flight with WiFi access!
