Watch from anywhere in the world

In addition to proprietary software and strategically-placed GLHubs in major markets, GL is partnered with a new generation of IPTV protocols, establishing an expansive global network. This allows GL customers to enjoy reliable, high resolution broadcasts of their favorite programming from anywhere and at anytime . A minimum of 2 mbps of internet service is all that is required to enjoy GLWiZ programs anywhere in the world!

GLBoxHD special features

-  **PVR:** Personal Video Recording on GLBoxHD
-  **72-Hour Feature:** watch the last 72 hours of programming for selected TV channels
-  **ShoutCast Radio:** 50,000+ international radio stations
-  **Media Centre:** access personal video and audio files from your PCs

GLWiZ quick facts

- GLWiZ.com launched in 2007 and has a total of 800+ channels.
- Receives approximately 2 million visitors/month and over 5 million page views.
- Over 500,000 registered paid and unpaid subscribers worldwide.
- GLArab.com launched in 2011 and offers over 350 TV channels 21 Arabic countries.
- GLTurk.com launched in Fall 2013 and already has more than 200 channels.
- Viewership of our programs is global with the majority residing in Europe and North America.
- GLHubs are located in major cities including: Toronto, NYC, LA, Paris and Istanbul. GL is ready to add more hubs as needed to increase the number of channels and to access different languages and cultures.
- GL utilizes the latest streaming protocols thus allowing for cutting-edge HD streaming quality.
